NOTICE TO THE TRADE – DeCA NOTICE 25-114

SUBJECT: Gulfport NCBC Grocery Reset Schedule

This “Notice to the Trade” aims to provide the schedule for the Gulfport NCBC Commissary reset. DeCA will use cluster merchandising planograms specific to Gulfport NCBC performance over 52 weeks. All Phase-outs will be removed from the planograms. Item availability and MDV Columbus Distribution slotting will be considered when designing POGS. The reset(s) will take the course over 5 days, beginning on September 21st and ending on the morning of September 26th. The reset(s) will be conducted nightly after the store closes and opens each day, affording the customers a new shopping experience. This is a full shelving replacement reset. The schedule is as follows:

- Sunday, September 21st, the Dry Grocery department will be reset at 10 p.m.
- Monday, September 22nd through the 25th, determined on site.

Vendor support each night will be extremely important to complete this aggressive nightly schedule, especially for the duration of the store's set dates. We are requesting each company participating to send a list of their team members attending NLT September 7th, 2025.

Produce and Perishable department(s) set days and times will be determined on-site and subject to change.

If you have any questions or concerns, please contact Michael Denny at 785-571-8000 or Brooke Pfister at 804-734-8000, ext. 86081.
