Defense Commissary Agency
[Director of FOI requests]
Ft Gregg-Adams, VA 23801

Good morning,

I wrote the Commissary HQ last month seeking foot traffic data that went into approving the Richards-Gebaur Commissary (Missouri). But having received nothing (to date) I'm thinking perhaps I might be more successful trying going the FOI route. I need this data to develop plans that would look at operating a PX next to a Commissary. The necessary 'demographic information' need not go way back to 1994: but should be recent enough to gain some educated and realistic projections from. The Richards-Gebaur area has seen an Increase in military troops as it grew from 1 Army reserve base - to now 3 Army reserve centers plus a Marine Reserve center as well.

Thank you for your assistance.

Respectfully,

Steve P. Gorsline
