Request

Request ID	1766961
Confirmation ID	1770461
Request description	Request sales data for retail liquor and beer sales on U.S. military bases (Class Six, Commissary, Base Exchange, etc...). If able, particular variables for base location, product type (liquor/beer), product brand name, sales date (dd/mm/year), units sold per day, wholesale cost per unit, retail product price and any other granular economic details available would be helpful. The scope should encompass all domestic U.S. military bases and should reach back at least 4 years (i.e. Jan 2020- Dec 2024). Data should be consolidated in an excel-style format with the previously mentioned variables listed as columns and subsequent data populated underneath.
