Subject: FOIA REQUEST

Hello,

I am seeking a report, preferably in csv and/or xlsx format, showing all individual store volume, showing total annual sales volume and age 65+ annual sales volume. Please include all locations in the US states and territories annual reports, one for 2023 and one for 2024. If I remember correctly, the fiscal year is February through January, so just the ytd for 2024 if that's what you have available. You did this once for a 2022 request, but I can't recall what data is readily available to you. I have listed the preferences. If you have different parameters that I need to adhere to, I am flexible. I am willing to pay the cost up to \$50 if needed. The electronic version is preferred, this is for a business, and my contact information is below. I appreciate your time and consideration with this matter. Have a great day!

Best regards,

Jon Regel
