NOTICE TO THE TRADE – DeCA NOTICE 26-117

SUBJECT: Moody AFB Perishable Grocery Reset Schedule

This “Notice to the Trade” intends to provide the schedule for the Moody Commissary perishable reset. DeCA will use cluster merchandising planograms explicit to Moody’s performance over 52 weeks. Moody will be executed without replacement shelving. The reset(s) will take place over 3 nights, starting on June 21st. The reset(s) will be conducted nightly after the store closes, affording the customers a new shopping experience each next day. The schedule is as follows:

- Sunday, June 21st, the Frozen department will be reset at 6 p.m.
- Monday, June 22nd, Dairy and Pkg Meat will be reset TBD (on site decision).
- Tuesday, June 23rd, finalize open categories, if needed.

Vendor support each night will be extremely important to complete this aggressive nightly schedule, especially for the duration of the store's set dates. We are requesting each company participating to send a list of their team members attending NLT June 7th, 2026. Produce Department will be determined on-site and subject to change.

If you have any questions or concerns, please contact Michael Denny at 785- 571-8000 or Brooke Pfister at 804- 734- 8000, Ext 86081.
